This policy excludes any and all loss, damage, cost, or expense (to the extent such terms are defined under this policy, such definitions apply) of any nature whatsoever directly or indirectly caused by or resulting from the following, regardless of any other cause or event, whether or not insured under this policy, contributing concurrently or in any other sequence thereto:

Any virus, bacteria or other microorganism that induces or is capable of inducing physical distress, illness or disease, or the fear or threat (whether actual or perceived) of any such virus, bacteria or microorganism, including any and all loss directly or indirectly caused by any action or inaction of the NAMED INSURED or any action or order of a government undertaken in response to, or intended to detect, control, prevent, suppress, mitigate or remediate, the actual, suspected, or anticipated presence of any virus, bacteria or other microorganism that induces or is capable of inducing physical distress, illness or disease.

This exclusion does not apply to loss or damage caused by or resulting from moss or fungus (including mould and mildew), or any mycotoxins, spores, scents, or other by-products of fungi, if such loss or damage, including any exclusion thereof, is addressed in a separate provision elsewhere in this policy.

To the extent any exclusion relating to pollutants or contaminants refers to any virus, bacteria or other microorganism that is the subject of this exclusion, this exclusion supersedes.

Other policy provisions excluding coverage of loss due to virus, bacteria, or microorganism of a type other than that which induce or are capable of inducing physical distress, illness or disease remain in full force and effect.

All other terms and conditions remain unchanged.

Inland Marine Insurance Common Policy Conditions

<i>Conditions</i>	The following Conditions are included under each part of the policy, unless stated otherwise.
<i>Audit of books and records</i>	We may audit your books and records as they relate to this insurance at any time during the term of this policy and up to three (3) years afterwards.
<i>Cancellation</i>	The first Named Insured may cancel this policy or any of its individual coverages at any time by sending us a written request or by returning the policy and stating when thereafter cancellation is to take effect. We may cancel this policy or any of its individual coverages at any time by sending to the first Named Insured a notice 90 days (20 days in the event of non-payment of premium) in advance of the cancellation date. Our notice of cancellation will be mailed to the first Named Insured's last known address, and will indicate the date on which coverage is terminated. If notice of cancellation is mailed, proof of mailing will be sufficient proof of notice. The earned premium will be computed on a pro rata basis. Any unearned premium will be returned as soon as practicable.
<i>Changes</i>	This policy can only be changed by a written endorsement that becomes part of this policy. The endorsement must be signed by one of our authorised representative.
<i>Compliance by insureds</i>	We have no duty to provide coverage under this policy unless you and any other involved insured have fully complied with all of the terms and conditions of the policy.
<i>Conformance</i>	Any terms of this insurance which are in conflict with the applicable statute of the Province in which this policy is issued are amended to conform to such statutes.
<i>First named insured</i>	The person or organisation first named in the Declarations is primarily responsible for payment of all premiums. The first Named Insured will act on behalf of all other Named Insureds for the giving and receiving of notice of cancellation or non-renewal and the receiving of any return premiums that become payable under this policy.
<i>Inspections and surveys</i>	We may: • Make inspection and surveys at any time; • Give you reports on the conditions we find; and • Recommend changes. Any inspections, surveys, reports or recommendations relate only to insurability and the premiums to be charged. We do not make safety inspections. We do not undertake to perform the duty of any person or organisation to provide for the health or safety of workers or the public. And we do not warrant that conditions: • Are safe or healthful; or • Comply with laws, regulations, codes or standards.

Inland Marine Insurance Common Policy Conditions

This condition applies not only to us, but also to any rating, advisory, rate service or similar organisation, which makes insurance inspections, surveys, reports or recommendations for us.

Titles of paragraphs

The titles of the various paragraphs of this policy and endorsements, if any, attached to this policy are inserted solely for convenience or reference and are not to be deemed in any way to limit or affect the provisions to which they relate.

Transfer of rights and duties

Your rights and duties under this insurance may not be transferred without our written consent. However, if you die, then your rights and duties will be transferred to your legal representative, but only while acting within the scope of duties as your legal representative, or to anyone having temporary custody of your property until your legal representative has been appointed.

When we do not renew

If we decide not to renew this policy, we will mail or deliver to the first Named Insured stated in the Declarations written notice of the non-renewal not less than 90 days before the expiration date. If notice of non-renewal is mailed, proof of mailing will be sufficient proof of notice.
