

Assembly Instructions:

1.
Lay the picture or mirror flat and place a corner block on each corner.

2.
Wrap the plastic strap around each corner block on the picture or mirror.

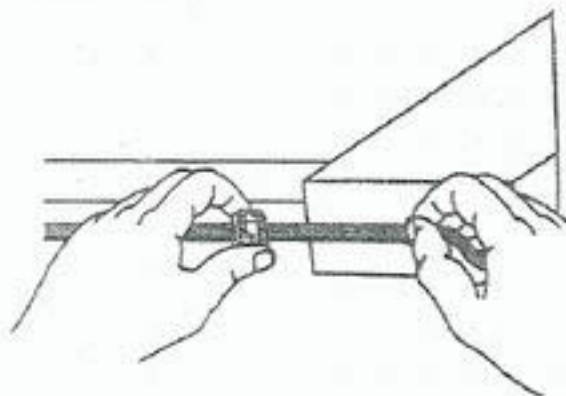

3.
To connect the strap and buckle, make a loop in the strap and feed it through the opening in the buckle.

4.
Fold the plastic tongue down through the loop.

5.
Tighten the plastic strap by pulling the loose end of the strap.

6.
Place the picture or mirror in a picture/mirror box and fill all voids in the box with crumpled news print or similar packing material.
